DAY OF CLINICAL RESEARCH 2024

Abstract Submission Now Open

Bern Highlights

This session on 28/11/2024 showcases research with extremely high clinical impact, featuring major clinical trials and studies that have changed practice in the last year.

Submit your abstract for the Bern Highlights Session via [Oxford Abstracts](#). To nominate a study, please send an email to info.dcr@unibe.ch.

Junior Research

The top 4 submissions by researchers pre-habilitation will be selected for a Pecha Kucha presentation on the Day of Clinical Research. A group of 12 excellent submissions featuring completed and ongoing studies will be selected for a Pecha Kucha presentation in the Junior Research Showcase on Tuesday, 26/11/2024 at the Anna-Seiler-Haus. Any abstracts not selected for an oral, will be invited to exhibit a poster on the Day of Clinical Research.

Submit your abstract via [Oxford Abstracts](#).

**Deadline for submission:
1 September 2024**
