

DCR Day of Clinical Research

Thursday, 28 November 2024

10.00 – 18.30 Hörsaal Langhans, Inselspital

Announcement of International Speakers

Professor Asma Khalil

Prof. Dr. Khalil is a Consultant Obstetrician and Fetal Medicine specialist at St George's Hospital, London and is the lead of their twin and multiple pregnancy service.

She is an internationally renowned specialist in Maternal and Fetal Medicine and specialises in scanning women and babies with complications in pregnancy.

Professor Vincenzo Mazzaferro

Prof. Dr. Mazzaferro is full Professor of Surgery at the Department of Oncology of the University of Milan and Director of the Gastro-Intestinal Surgery and Liver Transplantation Unit at the Istituto Nazionale Tumori of Milan, Italy.

He has developed clinical and experimental projects in liver oncology and his research has directly changed clinical practice in the field of liver transplantation for malignancy.
